What is a neighbourhood plan?

Neighbourhood planning gives communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area. They are able to choose where they want new homes, shops and offices to be built, have their say on what those new buildings should look like and what infrastructure should be provided, and grant planning permission for the new buildings they want to see go ahead. Neighbourhood planning provides a powerful set of tools for local people to ensure that they get the right types of development for their community where the ambition of the neighbourhood is aligned with the strategic needs and priorities of the wider local area.

Come and find out more, have your say & enjoy a **FREE lunch on Saturday 10th October**. Drop in from **11am to 3pm at East Coker Village Hall**.

Everyone welcome! All residents & businesses in the Parish. Help shape a vision for East Coker.
